FOR IMMEDIATE RELEASE

**OPTICAL CABLE CORPORATION AWARDED CONTRACT BY
 MAJOR DEFENSE CONTRACTOR FOR U.S. DEPARTMENT OF DEFENSE**

Roanoke, Va., May 17, 2021 — Optical Cable Corporation (Nasdaq GM: OCC) (“OCC®” or the “Company”), a leading manufacturer of a broad range of fiber optic and copper data communication cabling and connectivity solutions, today announced that it has been awarded a contract to supply certain of OCC’s proprietary products to a major defense contractor for the U.S. Department of Defense. OCC has received a purchase order totaling more than \$1.0 million.

The Company expects to begin manufacturing the products in the fiscal third quarter of 2021 and continuing throughout fiscal year 2021. Further details regarding the contract were not disclosed.

Neil Wilkin, President and Chief Executive Officer of OCC, said, “OCC is proud of its long history designing and manufacturing products for the U.S. military. Once again, we are humbled to do our part by leveraging our innovative technologies and substantial capabilities to supply and support the brave men and women protecting our freedom. We are fortunate to count a number of veterans among our dedicated team, and all of us look forward to delivering the products and solutions on which our military relies and for which OCC is known.”

OCC Information

Optical Cable Corporation (“OCC®”) is a leading manufacturer of a broad range of fiber optic and copper data communication cabling and connectivity solutions primarily for the enterprise market and various harsh environment and specialty markets (collectively, the non-carrier markets) and also the wireless carrier market, offering integrated suites of high quality products which operate as a system solution or seamlessly integrate with other providers’ offerings.

OCC® is internationally recognized for pioneering innovative fiber optic and copper communications technologies, including fiber optic cable designs for the most demanding environments and applications, copper connectivity designs to meet the highest data communication industry standards, as well as a broad product offering built on the evolution of these fundamental technologies.

OCC uses its expertise to deliver cabling and connectivity products and integrated solutions that are best suited to the performance requirements of each end-user's application. And, OCC's solutions offerings cover a broad range of applications—from commercial, enterprise network, datacenter, residential and campus installations to customized products for specialty applications and harsh environments, including military, industrial, mining, petrochemical and broadcast applications, as well as for the wireless carrier market.

Founded in 1983, OCC is headquartered in Roanoke, Virginia with offices, manufacturing and warehouse facilities located in Roanoke, Virginia, near Asheville, North Carolina and near Dallas, Texas. OCC's facilities are ISO 9001:2015 registered and its Roanoke and Dallas facilities are MIL-STD-790G certified.
