Company Information

Optical Cable Corporation (“OCC[®]”) is a leading manufacturer of a broad range of fiber optic and copper data communication cabling and connectivity solutions primarily for the enterprise market (or non-carrier market), offering an integrated suite of high quality, warranted products, which operate as a system solution or seamlessly integrate with other providers’ offerings. OCC’s product offerings include designs for uses ranging from commercial, enterprise network, datacenter, wireless, residential and campus installations to customized products for specialty applications and harsh environments, including military, industrial, mining, petrochemical, wireless carrier and broadcast applications. OCC products include fiber optic and copper cabling, fiber optic and copper connectors, specialty fiber optic and copper connectors, fiber optic and copper patch cords, pre-terminated fiber optic and copper cable assemblies, racks, cabinets, datacom enclosures, fiber optic and copper patch panels, face plates, multi-media boxes, wireless distributed antenna systems, fiber optic reels and accessories and other cable and connectivity management accessories. OCC products are designed to meet the most demanding needs of end-users, delivering a high degree of reliability and outstanding performance characteristics.

OCC® is internationally recognized for pioneering the design and production of fiber optic cables for the most demanding military field applications, as well as of fiber optic cables suitable for both indoor and outdoor use, and creating a broad product offering built on the evolution of these fundamental technologies. OCC also is internationally recognized for its role in establishing copper connectivity data communications standards, through its innovative and patented technologies.

Founded in 1983, OCC is headquartered in Roanoke, Virginia with offices, manufacturing and warehouse facilities located in each of Roanoke, Virginia, near Asheville, North Carolina, and near Dallas, Texas. OCC's facilities are ISO 9001:2008 registered, and OCC's Roanoke and Dallas facilities are MIL-STD-790F certified.
