The Trust acquired the shares for investment purposes. It will continue to review the performance of and prospects for this investment and its investment alternatives. As part of the ongoing review of its investments in the shares, it may explore from time to time a variety of alternatives, including the acquisition of additional securities of the Issuer or the disposition of securities of the Issuer in the open market or in privately negotiated transactions. It may also explore other alternatives with respect to its investment in the shares, including but not limited to an extraordinary corporate transaction involving the Issuer, changes in the present board of directors or management of the Issuer, or changes in the Issuer's business or corporate structure. Although the foregoing reflects activities presently contemplated by it with respect to the Issuer, the foregoing is subject to change at any time, and there can be no assurance that it will take any of the actions referred to above.

Except as set forth in the preceding paragraph, as of the date hereof, it does not have any plan or proposal that relates to or would result in:

- (e) Any material change in the present capitalization or dividend policy of the Issuer;
- (f) Any other material change in the Issuer's business or corporate structure;
- (g) Changes in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person;
- (h) Causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
- (i) A class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or
